Barton House Nashville is proud to offer a charming community where our priority is providing residents with faith-based, specialized memory care.

With over 20 years experience, we focus on providing individualized care to meet every one of your loved one's needs. Our caring staff is always prepared to go above and beyond to make sure your loved one feels happy, safe, and secure.

We offer a stunning landscape, beautifully appointed residences, and a variety of engaging and invigorating daily activities as well as the availability of respite care services.
